

Grade 3
Unit 15

It costs 20¢ to mail a postcard and 33¢ to mail a letter. Written in decimals, that is \$0.22 for a post card and \$0.33 for a letter.

Ralph sent mail to his friends.

- He sent Lydia one letter and one postcard.
- He sent Jerry two postcards.
- He sent Monique three letters.

Write a number sentence to show how much money Ralph spent for stamps. Be sure to include the answer in your number sentence.
